Bally Professional Arcade 269.88

At last! Professional arcade fun at home... and it's programmable so you can add more games whenever you want! Plus great options: you select number of players (4 remote controls) and whether to play for score or with time limit. Automatic clock built right in! You get (1) **GUNFIGHT** action with dueling cowboys in a fight of the last draw—even has handicapping tactic for losing player to hide behind; realistic sounds of pistols firing and "Taps" when your opponent is hit; (2) **CHECKMATE**—the game where you win by surrounding your opponent and eliminating them; (3) **CALCULATOR** with 4 functions and 10 memories—includes a ticker-tape read-out that's ideal for computing taxes. Color play on color sets. Automatic digital scoring. TV adaptor included. Ship UPS. \$12 monthly. See credit terms, page 282.

... and all in color

PANZER ATTACK and Red Baron challenge you to a fight on land or in the air! Battle with army tanks on the ground, or take to the skies in an air battle of flying aces. Fast-paced with action sound. 1-4 players.

N76 T 9498—(1 lb.).....16.88

TORNADO BASEBALL and Hockey for 1 or 2 players... plus Tennis and Handball for 2 to 4. A sports spectacular! Full 9-player team runs on and off the field, bats, pitches, even fields the ball in the outfield.

N76 T 9496—(1 lb.).....21.88

ELEMENTARY MATH and **SCRIBBLE** provide intriguing ways to learn and have fun at the same time. Elementary Math is a mind-tingling math quiz where you match wits with the computer... the better you get, the harder the questions become. Scribble is a computerized drawing board with hundreds of combinations... let your imagination run wild with bizarre patterns and interesting diagrams that you create! One player or 2.

N76 T 9494—(1 lb.).....16.88

SEA WOLF and Bombarider put you in thrilling combat under the sea or in the air! Authentic torpedo action and explosive combat. Hear life-like sounds from the battlefield. A real contest for 1 or 2 players.

N76 T 9495—(1 lb.).....16.88

BLACK JACK with Stud Poker and Acey Deucey are an ideal casino combination. Up to 4 players compete in a colorful card array that challenges any oddsman. Hit, stick, or even double down.

N76 T 9497—(1 lb.).....16.88

save \$10 on RCA Studio II with 5 great games built in 139.88

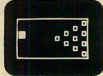

Here's video entertainment PLUS! Programmable microprocessor* was \$149.95 in Fall catalog, page 463. Five games are built-in, and you keep adding more games and educational cartridges as they become available (additional games sold below). Here's the 5 you get:

- **DOODLE** lets you create pictures on an electronic blackboard. Draw up, down, diagonally—even erase.
- **FREEWAY** has auto racing excitement. Steer left, right, speed up, slow down—but don't crash! Accidents reduce score.
- **ADDITION** is a fast-paced 2-player game that challenges you to get the right answer first. Wrong answers are penalized.
- **PATTERNS** is exciting drawing fun with electronic designs. You create a design and computer makes artistic patterns.
- **BOWLING** action for 2! Throw a hook, straight, or even a "Brooklyn" curve. Find your spot. Scores automatically.

One-time installation: switch turns processor off when watching TV. Built-in sound with sound-off. Black & White play. Push-button operation. Uses channels 2 or 3 for less interference. \$8 monthly. Terms, p. 282. **N76 T 1524T**—15x7x2 3/4 in. high. Ship UPS. (5 lbs.).....139.88

FREEWAY

BOWLING

add more RCA games anytime...

BLACK JACK for 1 or 2 with casino rules. Computer shuffles and deals with double deck. You cut, bet, hit or stick, even double down.

N76 T 1534—Shpg. wt. 7 oz.....16.88

SPACE WAR is a battle of alien spaceships with rockets and firing missiles! Horizontal or vertical play for 1 or 2 players.

N76 T 1526—Shpg. wt. 1 lb.....12.88

BASEBALL recreates our favorite pastime electronically. Pitch, bat, field—batters even run the bases. Score appears automatically.

N76 T 1529—Shpg. wt. 1 lb.....16.88

TENNIS/SQUASH has 3 different ball speeds and racquet sizes. 2-player tennis and singles squash. Even put "english" on the ball.

N76 T 1531—Shpg. wt. 1 lb.....12.88

2ND-TV ADAPTOR for plug-in operation on 2 different sets. Install once.

N76 T 1525—Shpg. wt. 8 oz.....7.88

A

You'd never expect 6 games
with so many features for only **49.88**

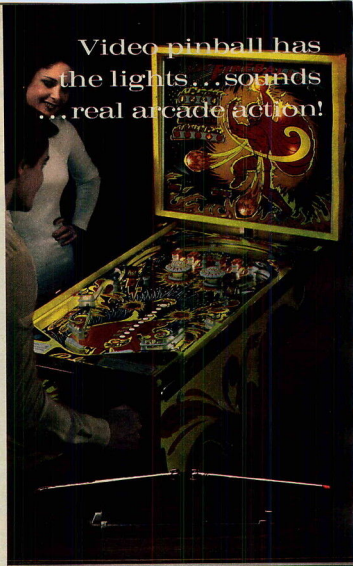

A 4-player remote control fun with loads of features... including realistic action sounds! You get a total of 6 games: TENNIS I & II, HOCKEY I & II, and PRACTICE/SQUASH. All play in color on color sets. Score a point and see large, easy-to-read digital scoring automatically appear on the screen. Score disappears when play resumes. Or, register your score manually on the screen. You can vary the bat setting from Pro to Amateur, even play the computer one-on-one! Powered by 6 "C" batteries (not incl.); or buy the optional AC adaptor (sold below). Quick, easy to connect. Plastic. 12x7½x3 inches high.

N76 T 1562—Shpg. wt. 4 lbs. 49.88
N76 T 1533—AC ADAPTOR for above. (1 lb.) 4.95

Atari brings you 4 pinball
games . . . 3 other games **74.88**

B An exciting new angle in video games* . . . so exciting, in fact, not even a "pinball wizard" could get bored! Four variations of PINBALL, 2 REBOUND BASKETBALL games and BREAKOUT—the game where you bombard the colored lines and try to wipe them out. The better you get, the tougher the games get. Any number can play, one player at a time. There's even pinball flippers—or play pinball with pong-like paddle for a bigger challenge. Choose between 3, 5, or 7 balls. Hear sounds of crashing balls. Has automatic speed-up tool! Plays in vivid color on color sets. Operates on 6 "C" batteries (not incl.); or buy the optional AC adaptor (sold below). Plastic.
