Congratulations on becoming a BALLY Professional ARCADE owner!

Now that you have a computer you may want to know what programs and accessories are available for you to use on your new BALLY Professional ARCADE System. The "BALLY Professional ARCADE Software and Hardware SOURCEBOOK" does just that. The SOURCEBOOK of 80+ pages includes over 350 Software and Hardware Listings providing information and availability on the following:

ARCADIAN Newsletter Programs and Tutorials
THE BASIC EXPRESS (formerly CURSOR) Newsletter Programs and Tutorials
Software Program Sources
Hardware Item Sources
Manuals
Dealers Service
User Groups
plus several pages describing the
> BALLY Professional ARCADE System
> BALLY Professional ARCADE Plus System
> ZGRASS-32 System
> Blue Ram System
> Viper System
> Extended Basic Language

The SOURCEBOOK is updated in the Spring and Fall.

The SOURCEBOOK is available for $6.00

To order, attach to this brochure a check or money order made payable to RMH Enterprises. Fold, staple or tape brochure closed and mail. Postage is paid in the USA.
