

# MAX \* PERFORMS MAGIC

## Meet Miller's Wizard of Computer Graphics

### \*THE DATAMAX UV-IR ZGRASS GRAPHICS SYSTEM

**MAX creates computer graphics and real time animation for your video productions at an affordable price (the system starts at \$11,000).**

**Once you begin to understand MAX's language (Zgrass), then the magic starts. . . Zgrass, respected as the best language for video graphics, gives you easy, fast, flexible and powerful tools without the need for an expensive computer programmer.**

#### FACTS ABOUT MAX:

NTSC Composite Video (RS170A)/RGB	Switchable Channel 3/4 RF Output
3-voice Sound Synthesizer	256 Color Palette from which 4 per screen can be selected
Optional Video Digitizer for computer manipulation	Optional Gen Lock

**CALL CAROL CHIANI, COMPUTER GRAPHICS SPECIALIST,  
FOR A DEMONSTRATION OF MAX.**
