MR. FABRIS,

1-YES 2-YES 3-YES

I'm VERY INTERESTED IN ANY EVENTS, PERTAINING TO THE DEVELOPMENT OF AN ADD-ON KEYBOARD OR MEMORY DEVICE. I CAN UNDERSTAND BALLY'S VIEW, BUT MORE COMPUTER MEMORY IS NEEDED NOW, THE KEYBOARD CAN BE EASILY TOLERATED, SHORTAGE OF MEMORY HURTS. BALLY'S UNIT @ \$650⁰⁰ IS WELL DESIGNED AND VERY STATE OF THE ARTISH. EVEN A PARTIAL UNIT @ \$350⁰⁰ WOULD BE WELCOME ON THE MARKETPLACE, THE BALLY OFFERINGS ARE ATTRACTIVE BECAUSE YOU HAVE A COMPANY MATCH-UP OF COMPONENTS. I WOULD NOT HOWEVER RULE OUT THE POSSIBILITY OF BY-PASSING BALLY'S UNIT FOR THE ONE DESCRIBED IN QUESTION #3. WE ARE ALL BECOMING AWARE OF THE DELAYS INVOLVED IN THE VIDEO/COMPUTER BUSINESS, SO A CLUB MADE UNIT WOULD BE EXCELLENT!

PLEASE IF POSSIBLE, COVERAGE OF THE VARIOUS GAME CARTRIDGES, I.E. STRATEGY, IMPROVEMENTS, VARIATIONS, BALLY IS WITHOUT A DOUBT THE FINEST GAME (GRAPHIC, HANDLE, STORAGE, ETC.) AVAILABLE. WHY SUCH A SHORTAGE OF GOOD GAME CARTRIDGES? ATARI CRANKS THEM OUT, WITH SKILL LEVELS, VARIATIONS, MAGNAVOX WHOSE GAMES ARE A STEP ABOVE TEDIOUS, OFFER GOLF, BOWLING CARTRIDGES. IS THERE ANY WAY TO ADAPT ANY OTHER CARTRIDGES (THAN AN ADAPTOR) TO THE BALLY UNIT?

②

KEEP UP THE EXCELLENT COVERAGE ON
THE BALLY COMPUTRAL FRONT NEWS. VERY INFORMATIVE!

MODEL # BPA 1100
SERIAL # 55836

THANK YOU,
Randy Fern

IDEAS WHEN AVAILABLE?
