

Music To Soothe The Savage Arcade

ZOK! POW! PFAAFF! BOOM! Enough already! Give your Arcade a break from its constant violent roving about the galaxy fighting with Cylons, Klingons, Wizards, Dragons and the like! Good grief! Aren't you ashamed of your Arcade's constant warmongering?

Give it some music to soothe it's motherboard. Let it regain some strength before sending it forth to battle again. Your Arcade will exhibit a dimension you never suspected it had. Beautiful, harmonious music will pour out of your TV speaker, sounding at once like an organ, or again like a circus calliope!
