The Professional Arcade

Expandable Computer System

with today's
greatest games

from
ASTROCADE, Inc.

Astrocade

means more games

Developed by the leader in commercial arcade games*, Astrocade, the Professional Arcade, is now available from Astrocade, Inc.

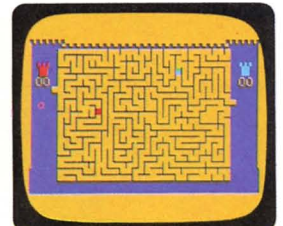

Software includes the Astrocade classics: Gunfight™, Checkmate™, Astro Battle™, Football, and many more. New cartridges now in production will continue this leadership with the best in sports, space simulations, and strategy games.

The ASTROCADE maintains its leadership because it is more interactive, with the only 8-way joysticks with knob and trigger. More colors with 256 choices. Three-octave music and sound effects synthesizer. And highest realism with fast action, and the best software designs in the business.

These four built-in programs provide instant fun and lasting value.

4001-Bingo Math™

*Manufactured under license from Bally Mfg., Inc.

The most fun game of all is learning to create your own computer programs. Now there's no easier way to learn about computers than with the new Astrocade BASIC system. This plug-in cartridge with built-in audio tape interface converts the Astrocade into a personal computer you can program yourself. The Astrocade BASIC manual makes it easy to learn programming while creating computer games, electronic music, and video art. The exclusive Astrocade Keypad overlay provides a complete alphanumeric entry system that's easy to learn and fun to use! Save your programs on cassette tape and trade them with friends. A complete library of BASIC software on inexpensive cassettes will expand these applications, and teach more advanced programming techniques.

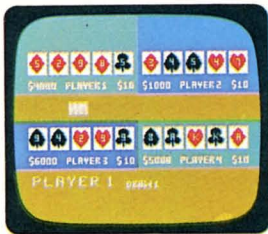

Includes: Astrocade BASIC programming cartridge, self-teaching Astrocade BASIC manual, built-in audio cassette jack.

More New Cartridges from Astrocade™

THE INCREDIBLE WIZARD 2017

Challenge the Incredible Wizard and his creatures in their treacherous dungeons! Shoot the Incredible Wizard and experience the tremor of the entire dungeon as his magic wavers. Fantastic sounds and bonus players make The Incredible Wizard just like coin-op games!

CREATIVE CRAYON 4005, 4005P

Tickle your creative fancy with all the tools of a professional graphics machine. People of all ages can enjoy the thrill of creating beautiful art. Use the optional Light Pen or Joystick control to draw boxes and circles, fill enclosed areas, or draw free-hand. Record your pictures on cassette tape, overlay more than one picture on a screen. Choose from 256 colors, 4 at any one time.

SOCCER 3007

America's fastest growing sport plays on your video screen. Dribble up field, pass to your teammates, shoot for the goal. Watch out for interceptions and blocking by the opposition. Up to 4 players.

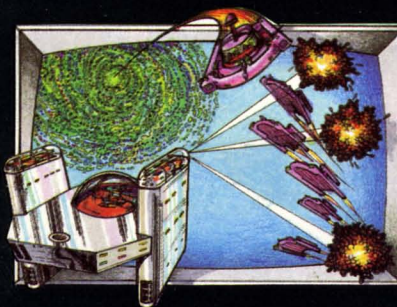

BOWLING 3006

It's like actually being at the alley. The game has all of the action and sounds of the real thing. Make strikes, spares—but watch out for splits and gutterballs! Keeps score according to official rules. Try your hand at a perfect score! You can play alone or up to 4 players.

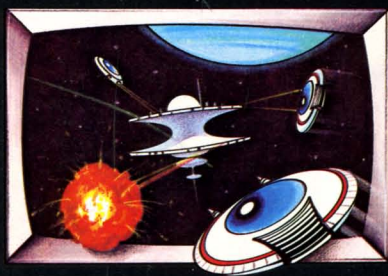

PIRATE'S CHASE 2015

Yo ho ho and a bottle of rum! Race to scoop up as many gold doubloons as you can carry, but watch out! The pirates are on your trail! How much of the treasure can you collect before Long John Silver collects you! Score points for every doubloon and treasure chest you can steal from the pirate crew! A frantic, fast-paced game, and the action never stops. 1 or 2 players.

COSMIC RAIDERS 2019

In deep space lies the alien sector Larkin. You are there on a mission to obtain energy sources that have been seized by the evil Larkins. Radar and a superior guidance system help you to avoid attacking fighters and Kamikaze ships. The energy stars are near the Larkin command ship; you must retrieve them before you can leave the enemy sector.

SPACE FORTRESS 2012

You command a lonely outpost far away in the galaxy. The alert sounds. You're being attacked by alien ships from all directions. You destroy some—but they keep coming faster and faster. You'll find Space Fortress positively addictive. It always keeps your interest because of the increasing speed of the enemy assault from all sides. Up to 4 players.

SOLAR CONQUEROR 2018

Conquer solar systems while avoiding wandering asteroids and enemy spaceships that try to foil your efforts. Speeding comets challenge your flying and shooting skills. Space-warp shuttles you to new challenges in other solar systems. This is your opportunity to dominate the Galaxy!

CONAN THE BARBARIAN 5004

Fearsome monsters give chase through a series of mazes as Conan, armed with his sword, battles them. Various levels allow you to play this adventure game with skills ranging from novice to professional. See how many monsters you can get. 1 or 2 players.

ARTILLERY DUEL 5005

Take your military positions, set your cannon and fire at the opposition. You must allow for elevation and wind to properly aim your piece. Sound effects and video take on a comic strip kind of realism. Up to 4 players.
