Dear Mr. Fabris:

We have your letter of April 15, 1979 regarding owners of the Bally Home Library Computer requesting subscription to the ARCADIAN.

We are sorry, however, we cannot make available to you our list of owners of the Bally as JS&A has a policy wherein we do not divulge this type of information to anyone, nor would your material be of interest to us since we have discontinued offering the Bally Home Library Computer.

Sincerely,
