

# SUPER SLOPE

## LOADING INSTRUCTIONS

1. Insert the Astro Basic cartridge into your arcade unit and press the reset button. The cursor should appear in the upper left hand corner of the screen.
2. Insert Esoterica software cassette into your cassette recorder making sure that it is rewound to the beginning.
3. Plug one end of the interface cable into the earphone port of the recorder and the other end into the audio interface jack in the basic cartridge.
4. Set the volume control knob to the high side of the center range and type the following input command:

**: INPUT; RUN GO**

5. Press play on the recorder. In less than one minute the program will run automatically. Stop the recorder and follow the play instructions. In multiple player games, you will be asked to input the number of players. The tape is now in position for Game 2.

"They called him Super Skier" and even though they had to carry him off the hill, he was back on top in minutes ready to try again. Under the skillfull guidance of your joystick he will dodge rocks and brush trees in a mad downhill race against time as arm waving fans pack the sidelines urging him on. **Warning:** Do not pull the trigger unless you are Olympic material. Which end will you experience? The thrill of victory or the agony of defeat.

## YOUR SCORE

Greater than 50	- Go directly to the hospital. Do not pass the finish line. Do not collect the prize money.
39 to 49	- Beginner slopes are more suited to your ability.
29 to 38	- You can now fall down on national T.V. and still look good.
Less than 29	- You have achieved the thrill of VICTORY!

Super Slope is a 100% machine language program. During the entering routine a sign will appear at the bottom of the screen. One-half of the sign will then disappear. As the screen scrolls down the program will load and then run automatically. To replay press GO on the keypad.
